

4th-5th March 2009, Zagreb, Croatia

The Ministry of Regional Development, Forestry and Water Management of Croatia has kindly offered to host the second workshop of the GEF project Protection and Sustainable Use of the Dinaric Karst Aquifer System (DIKTAS) at the facilities of the Ministry in Zagreb. The dates of the workshop are 4-5 March 2009. The main purpose of the workshop will be to review the results of the working groups achieved to date and to discuss the next steps towards the finalization of the proposal for a GEF Full Size Project (FSP).
